

Whatever is true, whatever is honorable,  
whatever is right, whatever is pure,  
whatever is lovely, whatever is of  
good repute, if there is any excellence  
and if anything worthy of praise,  
dwell on these things.

Philippians 4:8

"Every artist dips his brush in his own soul and  
paints his own nature into his pictures."

Henry Ward Beecher

#### *Art and Worship*

*Because of its creative nature, art is truly a reflection of God's  
creative spirit. Through the creation and the perception of  
beauty, we praise and celebrate the creative power of God.  
Art is, in this respect, an aspect of worship.*

# The Eighth Day of Creation

In this exhibit, artists of all ages share their work with the congregation, and our community's creative gifts are celebrated to the glory of God. We are grateful to all who have shared their work with us, both this year and in the past, and we give thanks to God for the blessings we are given through this art.

Through paintings, photographs, stained glass, ceramics, woodwork, drawings and other forms of expression, we can share in the artists' creative spirit and in their worship of God. Art then becomes a way of knowing and praising God.

The exhibit occupies McFarland Hall and the East Gallery (leading across the bridge to the Sanctuary). Be sure to visit both spaces to see all of the exhibit.

## NEW THIS YEAR: Second Thoughts Writing Anthology
