

Grown-Up Summer Camp

RENEWAL

This year's Grown-Up Summer Camp theme is Renewal. Chapel and keynote sessions will center on this theme: we'll remember our baptism as we are renewed by the Spirit, remember the gifts of grace as we are strengthened at Table, and remember our call to participate with God in the renewal of the world.

Pyoca Camp Glossary:

Morning Watch: Short morning worship session and intro to daily theme.

FOB: Afternoon rest hour. Stands for "flat on bunk." This is your time to chill, hike, read a book, and just relax after lunch.

Canteen: Pyoca's camp store. Each day Canteen will be open to purchase snacks and camp merchandise.

Free Time: Choose from a wide variety of activities, including: waterfront (boating, swimming, fishing), tie-dye, tournaments, etc.

Twilight: No, there are no vampires. This block is our transition time for folks to have a brief break in between worship and our evening activity.
